## **BIRTHDAY OF THE TREES PARTY CROWN!**

The Jewish holiday of Tu B'Shevat reminds us to be thankful for trees -- they do so many amazing things! You can celebrate the Birthday of the Trees by making a special Tu B'Shevat party crown with "leaves" that each show a reason to be thankful for trees. Use the leaves below, or think of your own reasons to be thankful for trees and write them in the blank leaves! Complete instructions for making a Tu B'Shevat Birthday of the Trees Party Crown (using a paper plate) can be found at [makeitjewish.com](http://makeitjewish.com)!
